**Meditation**

“The primary message of the church is that *God* is God. The very purpose of its existence is to make that point clear. But, and God help us, the one institution in the world most in danger of domesticating God and reducing him to a partisan god of the in-group is the church (or temple, or synagogue, or mosque). To think that God is our God is to violate everything the Bible affirms.... What happened at Nazareth? Jesus interpreted Scripture, the life-giving tradition, as a challenge to our limited view of truth, and we tried to lynch him.”

“What Happened At Nazareth?” James A. Sanders, *God Has a Story Too*, 1979
