

Little Folks News – April 2011

The **Little Folks Rummage Sale** this year was our best ever! The gym was packed full of donations from church members and Little Folks families. This year we also had plants for sale, and they were a great hit. I really appreciate all of the hard work that **Deborah Schneider** and her work crew did when they dug up, divided and repotted plants from the Memorial Garden to donate to us. Their long day of work on that Saturday was truly a gift of love. Thank you.

Trina Benson and **Katie Rabe** were in charge of the **Rummage Sale** this year. Through their efforts and the long hours that they and their volunteers put in, the **Rummage Sale** made a record \$4,788.70! This is \$1,300 more than we've ever made. Thank you so much for all of your donations of time and items to make this year such a success.

Remember, Little Folks **Open Enrollment begins Tuesday, April 5.**

Little Folks will be CLOSED April 1 & 4 and April 18-22. We'll open again the day after Easter.
